

The CalSTRS Pension2 personal wealth plan is now available in your school district.

You're already off to a great start with your CalSTRS retirement benefit. Next, you'll likely need personal savings. That's where the CalSTRS Pension2 403(b) and 457(b) plans come in.

Pension2 gives you a convenient way to provide additional income for your future. You control how much to save—a little or a lot—and you can change your contribution at any time. Saving even just a little now can make a big difference for your future.

Pension2 is open to all school district employees—teachers as well as those who work in administration, business and student services, athletics, food service and operations.

Do you have money in other 403(b), 401(a), 401(k) or 457(b) accounts? Compare the fees and see if you could benefit by consolidating those accounts into Pension2.
